## PROJECT EXPERIENCE

### Health eHub — Patient-Centric Universal Health Record

- Collaborated with a team of 4 other programmers to plan and build the MVP
- Designed as a persistent MVC integrating MySQL with Java and Spring Boot through Hibernate

## WORK EXPERIENCE

### Paraeducator, Independence School District, Independence, MO, AUG 2022 – OCT 2022

- Supported the teacher & students in a first-grade classroom in meeting academic & personal goals
- Redirect students' attention to the teacher during instructional time, and to their assigned work during independent work times
- Supervise the class during their lunchtime (also our teacher's off-duty lunchtime)
- Escort students to the bathroom throughout the day
- Assist the class during "Specials" (P.E., Music, Art, & Technology)

### Homemaker, Independence, MO, APR 2013 – AUG 2022

- Provided full-time care for my two sons
- Manage 4 people's schedules with necessary errands
- Switch from calming my 6-year-old to conversing intelligently with another adult
- Teach skills to multiple ages at home
- Resolve conflicts that inevitably arise when a child hears the word "No"

### E\_filing Clerk, Debbie's Accounting Service, Jacksonville, FL, DEC 2011 – APR 2013

- Electronically filed payroll tax fees & forms, responded to both the IRS and the Florida DOR
- Completed bookkeeping for multiple clients, including out-of-state payroll for a client in New York
- Bookkeeping in QuickBooks 1998, 2001, 2005, 2006, 2010, and Online
- Categorizing income and expenses in Excel for personal and business income tax filing
- Managed annual Payroll Package project in 2013. I prepared data and materials and managed 7 coworkers, and we completed the project in less than 50% of the time required in 2012.

## EDUCATION

**LaunchCode**, LC101 Programming Course — 2022

**Salem College**, B.A. English Literature & Psychology — 2005
